**FIG.5**

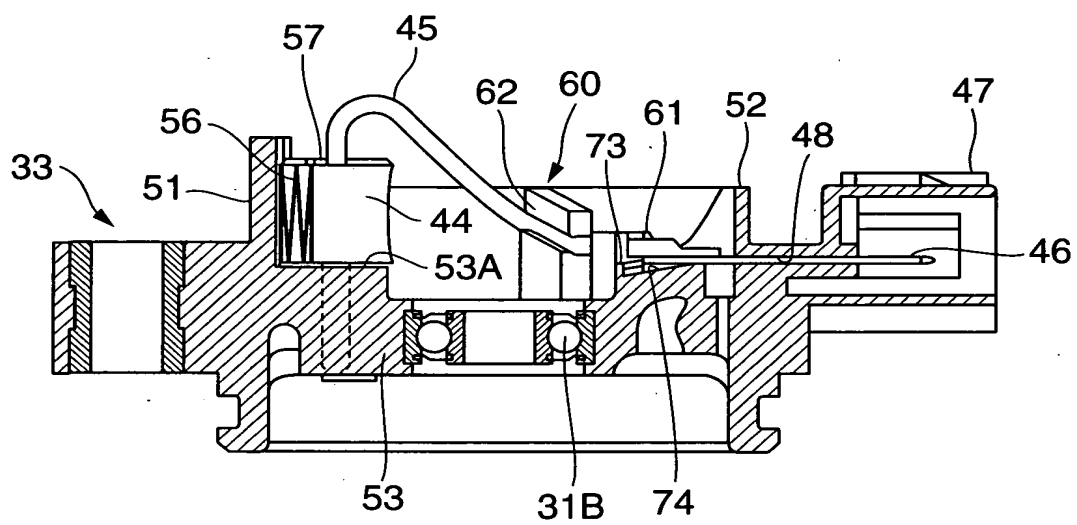

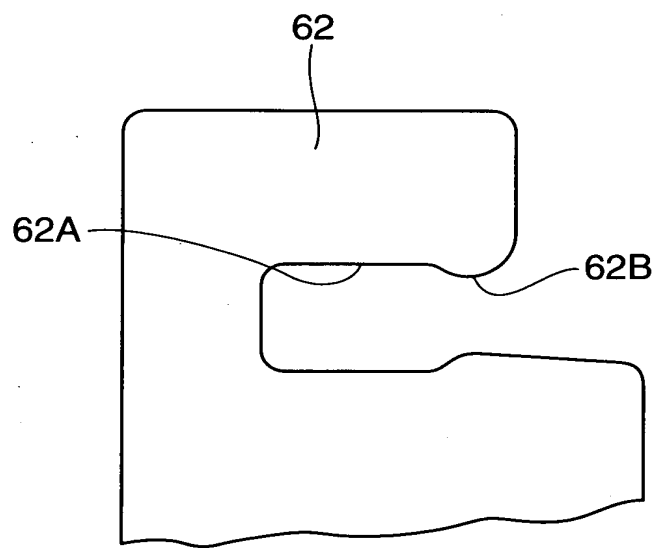

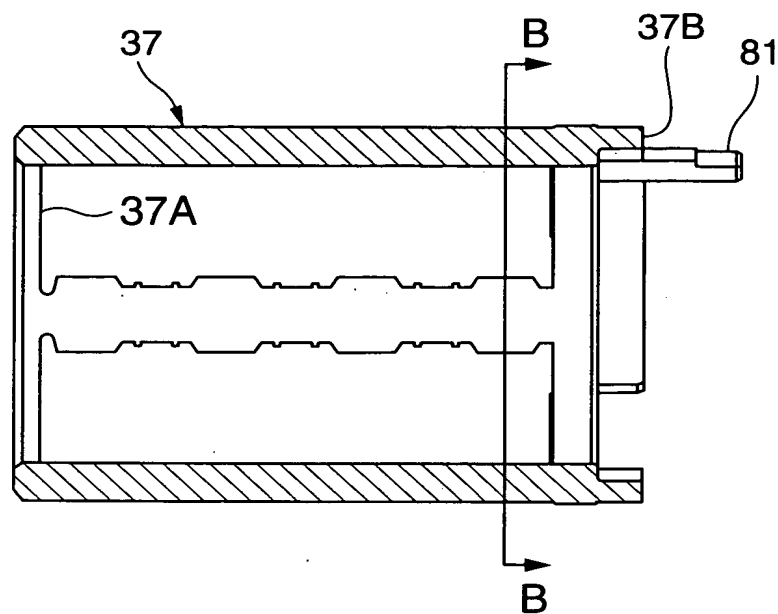

FIG. 1 is a perspective view of a circular electronic device. The device features a central circular display area (31B) surrounded by a ring of buttons (52). The buttons are arranged in a circular pattern and include labels such as "END", "VII", and "OFF". The device has a central protrusion (47) with a rectangular opening (48). The device is shown in a perspective view, highlighting its circular shape and the arrangement of its components.
